## Call for Paper

ACSS 2020 is aimed to facilitate Ph.D. scholars enrolled with Universities and Research Institutes around the world to present and discuss part of their research work with peers in their fields.

We welcome all such authors to submit research papers to 7<sup>th</sup> International Doctoral Symposium on Applied Computation and Security Systems (ACSS-2020). This symposium would be best suited for scholars who already have a plan outlined for their dissertation in one of the following broad areas:

- Computer Vision & Applications
- Security for Internet of Things
- 
- Security in Heterogeneous Networks
- Remote Healthcare
- Signal Processing
- Intelligent Transportation System
- Bioinformatics and System Biology
- Privacy and Confidentiality
- Big Data and Cloud Computing
- VLSI Design and Embedded Systems
- Software Security
- Natural Language Processing
- Biometrics-based Authentication
- Analysis and Verification Techniques
- Large Scale Networking
- Distributed Systems
- Routing and Security in WSN
- Human Computer Interaction
- Computer Forensics
- Access Control
- Data Analytics
- Requirements Engineering
- Algorithms
- Quantum Computing

The submission draft for full papers should be limited to 10-12 pages. All papers will be reviewed by the program committee on the basis of originality, relevance and technical soundness.

Please download the proceedings template for the manuscript and author instructions from <http://www.springer.com/computer/lncs?SGWID=0-164-6-793341-0>. Each paper should undergo at least two blind reviews. Please note that author names, affiliations, etc are not to be included in any form within the paper, failing which, the paper will be rejected. A brief review note by the supervisor explaining the scope of the work and its significance is to be mailed to [acsscucse@gmail.com](mailto:acsscucse@gmail.com) after the manuscript is submitted.

**The selected and presented works for ACSS-2020 are to be published by Springer as an edited book in the series "Advances in Intelligent Systems and Computing" (<http://www.springer.com/series/11156>).**

### PUBLICATIONS & INDEXING

The authors of selected works shall be required to submit an extended version of their work based on the discussions during the symposium. This extended version will be published as a book-chapter in the bi-volume post-symposium book by Springer. **Each contributed paper must have at least one enrolled PhD student as the first author of the submission and his/her supervisor(s) as co-author(s). Any work that is not presented in ACSS-2020, shall not be included in the symposium book.** It may be worth mentioning here that ACSS book(s) are indexed by Conference Proceedings Citation Index of Thomson Reuters (ISI Proceedings), EI-Compendex, DBLP, SCOPUS and others.

### IMPORTANT DATES:

- Paper Submission Due : August 17, 2019
- Author notification : October 15, 2019
- Camera ready Submission & Author Registration : October 28, 2019
- Symposium : February 28-29, 2020
